Article VI: RACING RULES.

The official code of racing rules which shall govern all San Juan 21 races held by the Association shall be that of the United States Sailing Association (US SAILING), except wherein such rules conflict with the rules of the San Juan 21 Class Association, in which case the latter shall govern, and except to the extent such US SAILING rules may be modified by the instructions for a particular race or series because of local conditions. Insofar as practical, the rules of US SAILING and the San Juan 21 Class Association shall likewise govern all Fleet races. Local fleets may waive an Association Specification or Specifications for their own races only if such action is voted upon at a fleet meeting whose agenda has been previously announced with adequate advance notice, providing 75% of the fleet members present approve of such action.

Article VII: RACING RESTRICTIONS. (for class sanctioned events)

1. The number of persons allowed in a San Juan 21 in a race shall be two or more. ~~For non-Association-sanctioned regattas or single-handed regattas,~~ †This restriction may be waived or modified by event NOR and SI.
2. ~~In San Juan 21 Class Association sanctioned races,~~ †the number of crew persons shall be consistent in all races of the series. Changes in the crew, number or persons, may be made if significant reason exists with the written and officially posted approval of the regatta PRO or organizing authority.
3. No hiking straps or similar devices shall be allowed.
4. No movable ballast is allowed, including wet clothing worn as ballast.
5. Skippers ~~in fleet or inter-fleet races or series~~ must be members in good standing of the San Juan 21 Class Association, or their family members, ~~as described under Article IV, Section 2 of these By-Laws.~~

9. ~~At all San Juan 21 Class Association sanctioned events,~~ †The swing keel ~~will~~shall be maintained fully down ~~and pinned~~ at all times except in an emergency situation such as grounding or fouling an anchor line. Once the event has been cleared the keel will immediately be returned to its full down position. The Class Association strongly recommends the keel be pinned but local conditions and the owner's discretion shall prevail.

Article VIII: NATIONAL CHAMPIONSHIPS

1. Purpose: Each Region (East, Midwest & West) may conduct a Championship Series annually to determine the ~~Eastern Regional, Midwest Regional and The Western~~ Regional Champion in each Division (All Sails and Working Sails). A North American Championship for each Division (All Sails and Working Sails) shall be held each year sequencing through each Region ~~on a three year cycle, beginning with the Midwest in 2005, Eastern in 2006, Western in 2007 and continuing the same sequence in the following years.~~ Should a region decide not to hold the North American Championship when it is scheduled for that region, the privilege will immediately pass to the next Region in the scheduled sequence such that a North American Championship Regatta is held each year.
2. Regatta Committee: The National Regatta Committees shall have charge of the National Championship Series, and shall be composed of the appropriate Vice Commodore, the Fleet Captain of the host fleet, and one other

By-laws of the San Juan 21 Class Association

- member of the Association appointed by the National Commodore. Responsibility for arranging and providing for proper facilities and personnel to manage the Series shall rest with the host fleet. In this regard, the host fleet shall cooperate with and be guided by the Executive Committee and the National Regatta Committee.
3. Contingency Fund: The Class Association shall each year set aside a contingency fund ~~of \$200,~~ up to a maximum amount of \$100 per regatta, to be used by the host fleets in cases of emergency. East, Mid-west and West Coast Championships, and the North Americans, should be planned to be self-supporting. The Executive Committee shall decide if and how the contingency fund is to be used.
 4. Date: It is the intent of the Class Association that the North American Championship Regatta be held between May and September when there is the likelihood of maximum participation; however, dates outside of this period may be chosen based on the location, local sailing conditions or association with other events. The Executive Committee shall weigh all the information available before approving a host fleet's proposed dates. Once the dates and location have been approved by the Executive Committee the National Regatta Committee shall be responsible for the NOR, Sailing Instructions, etc.~~The National Championship Series is to be sailed during the period of June to September. The series may be scheduled on any two or three successive days within the specified period; at least one of which days shall be a Saturday. The dates of the Series shall be designated to the Executive Committee as early in the sailing season as practical. The schedule of the races during the Series shall be at the discretion of the National Regatta Committee in conjunction with the host fleets in order to provide the optimum sailing conditions for the determination of the National Champions, East and West. Exceptions to the foregoing (upon written request from the National Regatta Committee) must be approved by the Association Governing Board for the specific regatta.~~
 5. Number of Races: The National Regatta Committee shall determine the number of days and races to schedule based on the local prevailing conditions; which shall be sufficient to determine a national champion by fair racing under suitable conditions. In the event of extreme weather conditions, one complete race shall be considered a completed regatta.~~The National Championship series should consist of five completed races if a three-day series, and four completed races if a two-day series. The National Regatta Committee shall select, and post in the Notice of Race, the maximum number of races it determines appropriate for the event venue. In the event of extreme weather conditions, the total number of races sailed may be reduced to one completed race by the Regatta Committee.~~
 - 6.5. ~~Course and sailing Instructions: The course for each race and any special sailing instructions shall be fixed and given under the direction and upon authority of the National Regatta Committee.~~
 - 7.6. Qualification: Each skipper entering the National Championship Series must be a member of the Association in good standing, ~~per By-Laws Article IV, paragraph 3. He must also be a bona fide owner or co-owner of the yacht to be sailed by him except as provided for chartered boats, and except as provided by, By-Laws Article IV, paragraph 4, for organizationally-owned boats.~~ The skipper and crew must be registered with the National Regatta Committee prior to the first race. Only such skipper and crew shall sail in the San Juan 21 sloop under which they are registered. Any exceptions must be for good cause, with specific approval of the National Regatta Committee.
 - 8.7. Measurements: All yachtsboats, sails and equipment entered in the National Championship Series shall be subject to measurement and approval of the Chief Measurer prior to the first race. ~~If any yachts or equipment do not come within the specifications, or within the tolerances permitted, the use of the same shall be prohibited. Any or all yachts may be ordered measured by the Chief Measurer, Executive Committee, or national Regatta Committee.~~
 - 9.8. Scoring: The results of each race ~~will shall~~ be scored using the current The Racing Rules of Sailing as prescribed by US SAILING: US Sail 2001-2004 Appendix "A" A1 thru A11; using the Low-Point System: ~~I.E. (A1.1): First boat, 1 point; second boat, 2 points; third boat, 3 points, etc. I.E. (A1.2): A boat that did not start, did not finish, retired after finishing or was disqualified, shall be scored points for the finishing place one more than the number of boats entered in the series. I.E. Race Ties: (A7) & Series Ties (A8), (A8.1) & (A8.2 changed 5-2002), etc.~~

By-laws of the San Juan 21 Class Association

- ~~10.~~ Charters: A boat may be chartered for the National Championship Series by any person by reason of membership eligible to skipper San Juan 21. Charter boats shall be brokered by the National Regatta Committee, which shall draw up the contract between owner and charterer based on local custom. At a minimum such contracts shall state the charterer is liable for any damage to the chartered boat while in their possession and the charterer shall show proof of insurance or post a cash deposit of at least \$500. ~~owner or co-owner who is unable, by reason of distance or damage to his boat, to bring his own boat to the site of, and sail it in, the National Championship Series. Such charterer must use his own sails. A boat may also be chartered for the National Championship Series by any San Juan 21 co-owner who is unable to use his own boat because it is being sailed in the National Championship Series by another co-owner. Such charterer must use the sails which belong to the chartered boat. A charter fee of \$50.00 will be expected by the owner of the chartered boat. Charterers shall be responsible for all damages to the boat and spars and shall pay the boat owner for same. They will not be responsible for breakage of running or standing rigging except in cases of collision or abnormal racing conditions. In the event of a dispute, the National Race Committee shall be the sole and final judge of responsibility. Charterers may not bore holes in the boat or do anything else that may be construed as defacing without permission of the boat owner. A boat will be returned to its owner in exactly the same condition and arrangement as it was received. This includes de-rigging and replacing on a trailer.~~
- ~~11.9.~~ Notices: ~~During the National Championship Series, official notice of meetings, hearings, decisions, rulings, changes in procedure and instructions will be given by posting same on a bulletin board at the Series headquarters daily during the series. Each participant shall be responsible for being at headquarters and seeing such notices. If conditions require it, the time, place and manner of giving official notice may be varied, but notice of any change shall be given by such means that it may reasonably be expected to come to the attention of all participants.~~
- ~~12.10.~~ Site: The site of the National Championship Series shall be designated by the Executive Committee, ~~after consultation with available members of the Governing Board.~~ Consideration shall be given to the desirability of varying the site for year to year, to probable effect on growth of the San Juan 21 Class, and to the adequacy of the proposed sailing conditions and facilities, including such factors as boat security during the series, mooringmoorage space, availability of housing for participants, proximity to the greater number of potential participants, reasonably anticipated weather conditions, availability of a series headquarters, and any other factors deemed relevant by the Executive Committee. ~~(A Site Selection Committee appointed by the National Commodore normally handles this function).~~

Article IX: Specifications

The official specifications of the San Juan 21 consists of a series of drawings, signed by the Chief Measurer, and written statement of specific requirements relating to the hull, mast, boom, rigging equipment, fittings and sails. The specifications shall constitute a part of these By-Laws. A boat deviating from these specifications may be disqualified from Association sanctioned events. It is the sole responsibility of every owner of a San Juan 21 sloop to maintain their boat in accordance with the approved specifications for the San Juan 21 Class Association

Article X: Limitations Governing the Purchase of Sails

1. The acquisition of sails by the owner of a registered San Juan 21 (SJ21), for use of that SJ21, shall be limited to one suit per calendar year. The use of a sail(s) in any race in a regional event, a local regatta, or a fleet race, shall constitute an acquisition, subject to the exemptions listed below. The date of acquisition is the date of shipping out of the loft. The sail maker shall mark the sail with the date of shipment on the sail immediately below the sail makers label. In the absence of a sail makers label, the head or tack of the sail may be dated. The purchaser of a San Juan 21 may acquire two suits of sails in the calendar year in which they acquire that

By-laws of the San Juan 21 Class Association

SJ21. This applies to a new or used SJ21. Any sails retained by the new owner from the ownership of a previous SJ21, or acquitted with the purchase of a boat, shall count as sails acquitted, and shall subtract from the allowance for purchased of new sails, if such retained sails are to be put to competitive use.

2. If a SJ21 sailor acquires a sail, or a suit of sails, which they do not feel are competitive, they may retire such sail/sails with fifteen days of the date of first use, and may acquire a replacement sail/sails. The Chief Measurer shall be notified of this action in writing prior to the acquisition of replacement sails. The intent of this paragraph is to allow new sails which are non-competitive, to be retired from competitive sailing without prejudice, and is not to allow the purchase of additional suits of competitive sails. The SJ21 sailor shall certify in writing, with his notification to the Chief Measurer that they have retired the sail/sails only because they were non-competitive in their opinion. This exemption procedure may not be used again with five years of the date of this notification to the Chief Measurer.
